

Provisional Measure #869/2018 – Personal Data Protection

The Congress' Joint Committee approved the Rapporteur's opinion on the Provisional Measure ("PM") #869/2018, which amends the Law 13,709/2018 and creates the National Data Protection Authority ("ANPD").

PM's approval at the Joint Committee

Through the text approved in the Joint Committee, the ANPD will be integrated to the Presidency of the Republic and will have technical and decision autonomy.

If the text approved at the Committee is not voted by the Plenary of both House and Senate **until June 3rd, 2019**, the Provisional Measure will lose its effects and the deadline for adaptation to the Brazilian General Data Protection Law will return to February 20th, 2020.

If it is not converted into law, the National Congress, by legislative decree, must discipline the legal relations derived from the PM.
