Flávio Spaccaquerche Barbosa

PARTNER

EXPERIENCE

Flávio has experience in litigation and arbitration, advising and representing clients in court proceedings and in domestic and international arbitrations. His clients are from a variety of economic sectors and he focuses on infrastructure disputes, including construction, energy and oil & gas. As an arbitration specialist, he is the former regional representative of the ICC Young Arbitrators Forum for the Latin America Chapter and former member of the ICC arbitrator appointing committee for the Brazilian National Committee. He is a member of the Advisory Council of the Arbitration & Mediation Center of the American Chamber of Commerce for Brazil and arbitration director of the CBMA.

EDUCATION

- Bachelor of Laws, Pontifícia Universidade Católica de São Paulo
- Specialization in Consumer Relations Law, Pontifícia Universidade Católica de São Paulo
- Master's degree in International Economic Law, Université Panthéon-Sorbonne
